

ISLAND WIDE GIVING

HELP YOUR NEIGHBORS

Food and rent are the two most important things people need to survive. In today's economy many of our neighbors are struggling to stay on Nantucket with jobs so scarce. Here is a way you can help:

If every office, congregation, boards of non-profits, any group that meets monthly, would bring in a can of food and \$1.00 we can help make sure our residents are not hungry or homeless. The food will go to the Nantucket Emergency Food Pantry, the \$1.00 to the Nantucket Rental Assistance Program.
